Our primary business at ShowBiz Pizza is children. We provide fun and happiness for children of all ages.

However, millions of children throughout the world today are not happy. There are thousands of children here in the United States who are living under the threat of kidnapping, child abuse and neglect.

As a company committed to the happiness of children everywhere, we have gotten together with various volunteer agencies and developed a program to help protect the children of our community.

This program is call LOVEPRINTS. LOVEPRINTS is a combined safety education and child identification program. In conjunction with local volunteer and law enforcement agencies, we are making a definite impact on protecting the children in the United States.

Public prints will be offered one evening a month and private prints (for Day Cares, Scout Troops, Church Groups, etc.) at least twice a month. There is no charge for the public prints and those groups visiting ShowBiz on our Lunch Tours may be printed at no additional charge and we will donate 10% of our intake from our private prints to our volunteer agencies. Special group printing sessions can be arranged by calling 318-988-0919.
